

FOR IMMEDIATE RELEASE

Paul Wolf Joins Clarkston Consulting's Dallas, Texas office as a Senior Client Sales Executive

DURHAM, NC — September 25, 2007. Clarkston Consulting, a leading management and technology consulting firm, announced that Paul Wolf joined the firm as the Senior Client Sales Executive in the Dallas office. Mr. Wolf brings over 20 years of experience in the business consulting and technology marketplace.

Paul is recognized as an accomplished Business Development Manager who understands the application of business strategy, implementation, and execution to meet sales objectives. His experience consists of management consulting, hardware and software sales, human resource leadership, employee management, and consulting engagement solution selling and delivery.

"Clarkston places a tremendous value on client relationships. It's evident in our 97% or higher client satisfaction* rate for the past 5 years. And it's evident in the caliber of people we attract and retain. Paul brings an enormous depth and breadth of experience helping clients such as The Neiman Marcus Group, Radio Shack and T-Mobile. We are confident he will leverage that expertise to increase Clarkston's presence in the Consumer Products industry and further build our Texas presence", said Monty Hamilton, South Central Regional Managing Partner.

Paul holds a Bachelor of Applied Science degree in Management Information Systems from Purdue University.

About Clarkston Consulting

Clarkston Consulting is a different kind of management and technology consulting firm. We deliver a unique experience for market leaders within the Consumer Products and Life Sciences industries. Considering professionalism, expertise, and value as prerequisites, we take service a step further through our unyielding commitment to the success of people as individuals, both our clients and our employees. By combining integrity, adaptability, and a whatever-it-takes attitude, we have achieved an extremely high rate of referral and repeat business and a client satisfaction rate of 97% over the past five years as measured by The Conference Board.
